Assessor Bob Staloch presented council with list of Assessment Changes. Letters were sent to residents with an increase of 10% or more value, by Staloch. He explained in detail the reason for the increase in so many homes. All information was put into a software program, by the county, and values were figured from there. By end of 2020, all of Cass County will be in this program. Much discussion was held. Those that wanted to check their info and value were put on a list, and Mr. Staloch will contact them.
