

FRONTIER OCTOBER COUNCIL MEETING

Present: Neil Krueger, Gayle Anderson, BJ Blanchette, Wade Borth, Jessica Metcalf, Jonathan Garaas, Joann Brandenburg

1. Motion to approve September 2014 minutes – BJ Blanchette Second – Wade Borth
In favor – Blanchette, Borth, Anderson, Metcalf
2. Reposes about opening up cul-de-sac on 35th and road west of city building – 2 residents were against it, also council does not see a reason to open it up at this time. Ordinance was passed to make that area a park; west of that is a street. Need to once again look into the drainage problem there, maybe next spring. Take pictures of problem areas, talk to engineer.
3. Culvert on east end of 56th has been removed, work needs to be finished. Also they (CuttingEdge Landscaping) will make pad for shed by city building.
4. Neil will put markers by culverts, for spring runoff.
5. Community party-Wade Borth: discussion held as to if and when another one should be held. Nice to get together and meet other residents. Will discuss again next month.
6. Fireworks – right now shooting of fireworks goes with state law. Problem with someone shooting fireworks in mid-September, between 12 am and 2 am. If this happens again, locate who is doing it, and contact Cass County Sheriff.
7. Renting of center by a nonprofit- would still have to pay the \$25 fee, discussion held.
8. Email directory to Jessica and BJ.
9. Insurance ratings – good for Horace Fire Department. Frontier does not have fire hydrants, so that affects our ratings.
10. Snow removal – bids from FM Snow Removal – current, Smithco, and Staloch. FM has done a great job in the past. Discussion held.
11. Excel – price is very high to install lines right now, very busy. Discussion held.
12. Stop lights are in on 52nd and frontage, but are temporary according to City of Fargo. They will be doing a traffic study this winter. Council agrees that stop lights are definitely needed. Discussion held about changing stop sign, connecting frontage and 31st St. to a yield sign. Probably not ours to change.
13. 2015 budget is done, maybe start next years in May or June.
14. Nothing more on the Oye court date.

15. Fema – flood insurance letter rec'd. Perry Ronning is in charge of this, will discuss the basement exemptions, etc. Discuss with Perry next month.
16. There is a fox roaming around Frontier, has been seen in a few locations, keep an eye out for this.
17. Burning of leaves, etc. within the city – complaint from a resident about smoke, etc. At one time council discussed putting a dumpster for yard waste, but was very expensive. Council's suggestion: Be curious to your neighbors, let them know if you are planning to burn; don't burn on windy days, etc.
18. Question had been asked about someone wanting to purchase a house and turn it into a commercial daycare. They would not be living in the house. This would not be allowed.
19. Property to the east – special meeting was held by the City of Fargo. A lot of work is being done this fall, more next spring. Frontier's biggest concern is drainage from the city, and back yards along the east side.

Motion to adjourn – Gayle Anderson

Second – Jessica Metcalf

In favor – Anderson, Metcalf, Blanchette, Borth

NEXT COUNCIL MEETING – November 10 @ 7 P.M.
